

DIN 468

Crank handles

technical informations

Material

Nodular deburred cast iron, black colour, matte finish epoxy resin coating.

Assembly

- Version B: hub with H7 reamed through hole.
- Version V: hub with H11 squared through hole in compliance with details for square [DIN 79](#).

Handle

- Type D: mirror-polished steel revolving handle type [DIN 98](#).
- Type F: mirror-polished steel fixed handle type [DIN 39](#).
